Attn: Cathy White, Executive Director  
P.O. Box 165  
Birmingham, MI 48012

Birmingham Area Cable Board:

The Franklin Public Library is located in the historic downtown of the Village of Franklin. Our students attend the Birmingham Schools. We service the residents of Franklin as well as other patrons with whom we have reciprocal agreements; including the residents of Birmingham and Beverly Hills. The library is the community hub and serves all ages. We offer a range of services, from books to several online services including, databases, free Internet and WiFi, ebooks, eaudiobooks and streaming music and movies.

We have seen an increase in the number of patrons coming in for a quiet place to study or tutor and this often involves using our Wifi. We had our WiFi upgraded a few years ago so it reaches into our reading garden and it's not unusual to see people on their laptops and phones outside accessing the WiFi.

On behalf of the Franklin Public Library Board and myself, I respectfully request your consideration of a grant in the amount of \$3,500 to cover our Internet costs for one year.

Thank you in advance for your consideration. Your financial support will allow us to continue to provide free Internet and WiFi access to all of our patrons and visitors. Please call me at 248.851.2254 should you have any questions.

Sincerely,

Teresa Natzke  
Director  
Franklin Public Library

**Subject:** Fund Request for Planning & Zoning Meeting Recordings

**Date:** February 4, 2025

Bloomfield Community Television (BCTV) currently broadcasts and records the Beverly Hills Village Council meetings. There have been recent discussions with Council members, Board members, residents, and staff to video record Planning Commission and Zoning Board of Appeals meetings as well. This would allow people to watch the meetings online if they are unable to attend in person.

In 2025, the Planning Commission meets on the fourth Wednesday of the month at 7:00 p.m. In November and December, the Commission meets on the third Wednesday due to the holidays. The Zoning Board of Appeals meets on the second Monday of the month at 7:00 p.m., as needed. The Village of Beverly Hills recognizes that there are other community meetings at this time, so we are looking for our meetings to be recorded, not broadcast live.

I have spoken to BCTV about the additional meeting coverage. BCTV can record the meetings at a cost of \$5,000 per year. There is a line item in the Birmingham Area Cable Board's budget to cover the cost, although a budget amendment would be required. The Village of Beverly Hills is respectfully requesting that the Cable Board cover the cost of recording the two additional meetings per month in an amount not to exceed \$5,000.

Thank you in advance for your consideration.

## Memorandum

To: Birmingham Area Cable Board

From: Richard David, Treasurer

Date: March 12, 2025

Re: 2024 Administrative Grants and Adjusted 2023 Administrative Grants

At the completion of the annual financial statement audit process, it is the policy of the Birmingham Area Cable Board (BACB) to make administrative grants to our four participating communities of a portion of Franchise Fees in excess of board expenditures.

Historically, these administrative grants have been calculated as a percentage of any such excess ranging from 95% to 50% in the prior year.

When determining the percentage of grants for this year, there are a number of considerations to be addressed:

- 1) Consistent with years past, the total amount of franchise fees continue to decline
- 2) Our current contractual obligation with BCTV consumes almost 100% of our PEG fees which places additional pressure on the utilization of Franchise Fees to fund current and future BACB grants and activities
- 3) Another year has passed and there is continued wear and tear on the mobile TV production truck. There will be a need for a replacement vehicle in the next few years and such a purchase will be quite expensive.
- 4) The Fund Balance/Net Position of the BACB continues to decrease (almost \$150,000 in the past year alone.)

In light of these, and many other aspects, **it is recommended that our administrative grants for the year ended June 30, 2024 be set at 40% of the excess of Franchise Fees over Board Expenditures** or slightly in excess of \$83,000.

Additional Grant related items

Our policy has been to 1) calculate the amount of franchise fees in excess of board expenditures, 2) determine the percentage of any such excess to be returned to our communities as administrative grants 3) estimate the pro-rata allocations for each community.

In prior years, certain communities were delayed in submitting their quarterly Franchise Fee payments to the BACB. As such, it has been our policy to withhold any grant payments from the individual sponsoring community until their funds have actually been received by the BACB and to calculate administrative grants without consideration of these late payments.

In the fiscal year ended June 30, 2023 Bingham Farms had not submitted their Franchise Fee contribution on a timely basis. Accordingly, there was no admin grant given to Bingham Farms in the past fiscal year.

Therefore, in addition to the annual administrative grant for the year ended June 30, 2024, there will be supplemental grants to the four communities to reflect the ultimate collection of prior year Franchise Fees.

There is also a proposed change in how the current and future Administrative Grants are to be calculated.

As noted above, from time to time, certain Franchise Fees are not paid on a timely basis by one or more of our sponsoring communities. However, the Franchise Fees to be paid are noted and reflected in our Full Accrual Basis audited financial statements. In prior years, the administrative grants were calculated using the General Fund – Modified Accrual Basis financial information. In the subsequent year, once the funds have been received, a new calculation is necessary and an adjusted Administrative Grant for the prior year is redetermined and paid out.

It is proposed that

- 1) Administrative Grant calculations are to be made on a Full Accrual Basis and
- 2) Should there be any late payments pending, no grants will be paid to any specific community until their Franchise Fees are actually paid.

This proposal greatly simplifies the annual administrative grant process while still withholding any grant until all of their franchise fee obligations are paid.

In calculating the 2024 Administrative Grants, this new methodology is being implemented. As such, the proposed Administrative Grants are summarized as follows:

Birmingham	\$ 51,560
Beverly Hills	\$ 19,565
Franklin	\$ 8,108
Bingham Farms	<u>\$ 4,224</u>
TOTAL	<u>\$ 83,457</u>

Additionally, supplemental administrative grants related to the year ended June 30, 2023 to reflect late payments from Bingham Farms are as follows:

Birmingham	\$ 1,253
Beverly Hills	\$ 380
Franklin	\$ 111
Bingham Farms	<u>\$ 6,619</u>
TOTAL	<u>\$ 8,363</u>

#### Proposal

The BACB Board is requested to adopt the following resolutions

- 1) The calculation of Administrative Grants is to be based on the Full Accrual Basis amounts as contained in the BACB's audited financial information
- 2) No administrative grant is to be paid to a sponsoring community until all of their franchise fee obligations for the fiscal year have been received
- 3) Administrative Grants arising from financial activities of the fiscal year ended June 30, 2024, shall be determined at 40% of the Franchise Fees in excess of Board Expenditures
- 4) The BACB Board is making Administrative Grants to its Sponsoring Communities in the amount of \$83,457 as allocated above.
- 5) A Supplemental Administrative Grant is to be made in the amount of \$8,863 as allocated above.

Respectfully Submitted

Richard David, Treasurer
